Re: Kosmidis v. Port Authority of NY and NJ, et al., 18 Civ. 8413 (AJN)

Your Honor:

I am counsel for Plaintiff in the above-captioned matter, and write to respectfully request that Plaintiff's time to file Rule 72 Objections to Judge Lehrburger's Report & Recommendation of August 27, 2020 (docket # 77) concerning Plaintiff's motion for spoliation sanctions be extended by eight days, through September 18, 2020 (they are presently due on September 10, 2020). I emailed opposing counsel this morning at 9:35 a.m. to seek her consent, but have not heard back from her. There have been no prior requests for an extension to this deadline.

The reason for the request is that I will be in transit at the beginning of next week, after being away and working remotely all summer, and will have to unpack and organize a significant amount of material upon my return. I also have to be out on Long Island on the current deadline, September 10, 2020.

I thank the Court for its consideration in this matter.

Respectfully submitted,

/S/

Jeffrey A. Rothman

The Plaintiff's request is hereby granted. Plaintiff shall submit his objections to Judge Lehrburger's Report & Recommendation by September 18, 2020. Defendants' response is due by September 25, 2020.

SO ORDERED.  9/8/2020
